I wish to express our thanks and appreciation for the wonderful conference you helped organize for us in Rome.

The administration of all aspects prior to and during the conference was impeccable. The unique venue I am sure did not make life easy for you, but everything run so smoothly and staff available on site was very helpful.

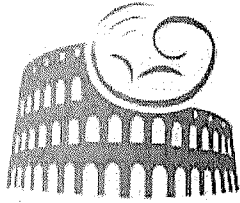

This was a memorable event for all of us.

Grazie mille,

Dear Chiara, Luisa, Giorgia,

On behalf of the ISUOG Board and all of us here in the ISUOG Secretariat, we would like to sincerely thank you and your team for all your amazing work during our Congress in Rome. You truly contributed to making the conference successful.

You were essential in the smooth running of the event and the whole Bluevents team went above and beyond what was expected. We found the temporary support team extremely efficient, helpful, friendly, polite and dedicated to their allocated roles. We'd particularly like to thank all those who had to deal with challenging situations due to event logistics, particularly with the shuttles/coaches!

We also gratefully appreciated your help with the Italian CME and being on-site was a great idea.

As we mentioned, if we are ever back in Rome for an event we will definitely contact you and if you ever need a reference we would be happy to do so. It was an absolute pleasure working with you.

Thank you again to all at Bluevents.

Yours sincerely,

Sarah Johnson

Gentile dottoressa Favero,

in merito all'evento di fine anno ed all'attività di "team building" organizzata a Civita Castellana, esprimiamo i nostri ringraziamenti per l'ottimo lavoro svolto, avendo riscontrato una piena rispondenza alle nostre aspettative sul piano organizzativo.

Anche i partecipanti hanno mostrato partecipazione e soddisfazione della sede scelta e dell'assistenza data dal vostro personale che ha dimostrato professionalità e piena disponibilità.

Come accennato verbalmente, non è la prima volta che il Gruppo organizza eventi di team building, ci tengo però a sottolineare che mai i dipendenti si sono mostrati così soddisfatti.

Cordiali saluti.
